## CHAIR'S MESSAGE

Hello friends and fellow breeders! It is with great pleasure that I welcome you to our Uppin' the Ante sale. We are very proud to be the longest running Charolais female sale in Ontario and we take great pride in our contributions to the Charolais breed.

Much of the province of Ontario is represented right here in this sale. As always, we asked all our consignors to dig deep and offer the type of cattle they want in their own herd and with no questions asked - they have delivered.

My personal guarantee to you is that no matter what you are looking for in a female, you will find it at this sale. There are fancy heifer calves that will make great show prospects, bred heifers that will go on to be front end donor cows, that could be carrying the next great herd sire for you.

Cattle will be available for viewing Thursday afternoon and all day Friday. As always, we invite you to join us for a home cooked meal provided by the Uppin' the Ante sale group on the evening of our sale.

We encourage all 4-H members to look closely at the 4-H program that we offer. There are great incentives to purchase a heifer calf out of this sale. There have been many calves bought out of this sale over the years that have gone on to be very successful 4-H projects.

If there is anything either myself or any of the consignors can do to assist you prior to sale day, please feel free to give us a call. Thanks again for choosing us as your place to buy your next great Charolais female. We look forward to visiting with everyone on October 17th in Hanover.

**Chester Tupling**

CE	BW	WW	YW	Milk	MTL
6.4	-0.2	70	123	22	57

A stout, attractive female sired by the up and coming WDZ Great Divide. We only have a handful of Great Divide calves but we are really impressed with them. 67N stems from a long line of Jasmine cows that are some of our most productive females. Her dam, 19F always brings in a good one and possesses an attractive, sound udder with an excellent foot under her. She is being shown and we wish to reserve show rights until after the Royal.

*Consigned by Saunders Charolais*

 Cornerview Confetti 34C

CE	BW	WW	YW	Milk	MTL
8.1	-0.3	68	120	30	64

Lacy 4N is a top 2026 prospect. Her cow family has a long tradition (she is the fourth generation and her 10-year-old granddam is still in the herd) of producing show-quality progeny. Lacy is long and deep-sided, well-muscled, wide-topped with that little extra neck extension that can set heifers apart. The Backwater Jacks have also been impressive in show barns. Lacy has a great temperament and is ready to go to town... She was shown at the Ontario Charolais Junior Showdown in the peewee class and placed second in her conformation class.

*Consigned by Cornerview Charolais*

### Cornerview *Nina* 10N

CE	BW	WW	YW	Milk	MTL
6.1	0.4	75	127	25	62

Alton Miss Alberta Lady 2203N stems from Charolais royalty. 2203N is a great granddaughter of Miss Prairie Cove 407B, TMJF Beryle 447B, granddaughter to Miss Prairie Cove 806F, and daughter to the Reserve Grand Champion Female of Farm Fair in 2023, Miss Prairie Cove 328L. For those who stack females, 2203N is a special breeding piece having industry greats and influencers littered everywhere, serving as building blocks for the future of any program. We love 2203N's angular look from the side and the eye appealing outline she is designed with, smooth from end to end, and having a dynamic set of performance indicators. Alton Miss Alberta Lady 2203N is built to last and bred to lead.

*Consigned by Alton Century Farm*

Miss Merlo is a big powerful bred heifer who is making a nice udder. Along with that she carries a very strong pedigree being a daughter of Miss Prairie Cove 309A herself. We were lucky enough to get two heifer calves from embryos we purchased from Prairie Cove and decided to offer one of them for sale. Merlo has been a friendly, calm heifer since she was born and that is why Hailey chose her to be her 4-H project this year. We would like to retain show rights on her until after the Royal Winter Fair.

Bred March 23, 2025, to DCR Blueprint J7.

Here's a very complete Triumph daughter that puts it all together. Long bodied, deep ribbed, feminine made and laying down an awesome udder. These Triumph daughters go on to make great females. Don't miss out on Fergus Maggie 5M.

Bred on March 24 to WCR Commissioner 593P, no exposure. Vet checked ultrasound safe.

The Fave's are a staple in our herd and this heifer could be your next favourite! She is a big broody female out of a donor cow. Her full sibling this year is one of our best and has been champion bull calf and king of the ring at shows this season. 12M has a unique outcross pedigree with Gerrard New York on the bottom side. There are all kinds of reasons to like this one!

Observed bred on April 9 to LAE Master Mind 460M (LT Authority son). Exposed to LAE Master Mind 460M March 22 to June 20. Preg checked safe.
