Welcome from Char-Maine Ranching Ltd.

Welcome to our 2026 Bull Sale! After many years of breeding and raising Charolais cattle, we remain proud of the program we have built and the opportunity to offer bulls that are bred and developed with our customers' needs in mind. Our philosophy has always been to raise functional, productive cattle that perform in real-world ranch conditions. We place a strong emphasis on performance, soundness, feet and leg structure, disposition, fertility, and maternal qualities. We believe a good bull needs to do more than look good on sale day — he needs to go out and work, cover cows, and produce calves that add value to your operation.

As producers, we all know that extra pounds and the premiums that quality Charolais calves can bring make a real difference to the bottom line. Our continued focus on performance, feed efficiency, and producing profitable cattle is an important part of our breeding program. We believe in raising cattle that work for you, both in the pasture and when it's time to market your calves.
This year's offering includes a selection of bulls to suit a variety of breeding programs, from high-performing herd sires to carefully selected heifer bulls. Each has been developed with longevity, functionality, and productivity in mind. We are proud of the cattle we raise and stand behind the bulls we sell.

We welcome the opportunity to visit with you about our offering, our bull guarantees, and ways to help you make the most of your calf crop and marketing opportunities. To our long-time customers, thank you for your continued confidence and support. To those considering Char-Maine Ranching for the first time, we welcome the opportunity to earn your business. Thank you for taking the time to look through our offering. We look forward to visiting with you and seeing you on sale day!

CHAR-MAINE RANCHING
"Our Symbol of Quality"

Welcome from Southern Alberta Livestock Exchange

As we near the end of another fall run we can all reflect on what a great year it has been. Profitability has never been better in the cow/calf sector, especially for those that have made the investment in superior genetics.
The fundamentals point to great prices coming in the future. The best time to invest in proven genetics was five years ago. The second best time is now.
See you sale day!

BRAYSHAR
CHAROLAIS
EST 2021

Welcome From Brayshar Charolais

Welcome to our Bull Sale, we are very happy to be part of the Char-Maine Ranching Bull Sale again.

It's an exciting time in the cattle industry, with strong calf prices and plenty of optimism for the future. Good markets create great opportunities, and we are proud to be part of an industry supported by hardworking cattle producers who continue to raise quality cattle.

We are especially grateful for the great customers who have supported us over the years. Your trust and loyalty mean a great deal to us, and we never take your business for granted.

Our goal is about more than just selling you a bull. We want to build lasting relationships and be there for you long after sale day. Providing good customer service, standing behind our cattle, and making sure our customers are taken care of will always be a top priority.

We believe that good cattle, good people, and good relationships are what make this business successful. We appreciate the opportunity to work with you and hope you find something in this offering that will help move your herd forward.

Thank you for your interest, your support, and your continued confidence in our program.
