*20th Annual Bull Sale*

**FRIDAY, MARCH 6TH, 2026 ~ 6:00 P.M. MST**

**Perlich Bros. Auction Mart - Lethbridge, AB**

# Welcome from Nish Charolais

Welcome to our 20th Bull Sale. It's hard to believe that it was 20 years ago that we had our first sale. We wouldn't be here if it wasn't for all of you that help us year after year to grow this program into what it is today.

This year we have some stellar bulls that we believe could help you capitalize on the crazy cattle markets today. We have been raising bulls for over 50 years and believe that we have some genetics that can help you achieve the results you will want to see in the fall. From calving ease to power, we are sure that we have a bull that fits your program.

Once again, thank you to all that have helped us to get to the 20th sale, we wouldn't be here without you. Thank you for allowing us to do what we love. Please don't hesitate to stop by and view the bulls or call with any questions you may have.

Sincerely,  
*The Nish Family*

# Welcome from Wright Livestock Marketing

Welcome to the 20th Annual Nish Charolais Bull Sale. What an accomplishment! For 20 years, the Nish Charolais program has been marketing their bulls at their annual sale from a program 55+ years in development. It is a testament to their blood, sweat and tears, their labour, sacrifices, knowledge and love of their herd. What a privilege for us to be able to witness the result of this extensive development of the program that we see today. We are honoured to be working with the Nish Charolais program again as they celebrate this monumental milestone in their program.

The bull sale this year features new, exciting herdsires that the Nish program recently acquired, providing fresh new genetics to kick off the 20th edition of their bull sale. You can see for yourself how exciting the progeny of these new herdsires are. Whether you are looking for calving ease or performance, this sale truly features the herdbull that you are searching for. You will find a set of honest ranch raised, responsibly developed, functional, structurally correct, productive bulls that will be a welcome addition to the new program that acquires them. Have confidence that they will work for you, and that they are backed by exceptional people who stand behind their product, and have worked very hard to present you with the consistent high quality offering you see today.

We hope that you will be able to join us in supporting the Nish Charolais program on sale day, to celebrate the accomplishment of their 20th Annual Charolais Bull Sale. If we can be of any assistance in helping you source your next herd bull, please don't hesitate to contact us. We would be happy to discuss any of the bulls featured in the pages of this catalogue.

Sincerely,

**Wright Livestock Marketing**

We are very excited to bring you this sire group. We set out looking for another herd sire that would stand out and we came across this bull at Legacy Charolais. From the moment we saw him knew we had to have him, and he hasn't disappointed us. He has tons of hair and is good footed, just a well-rounded bull. If you're looking for a thrill when you see your calf cheque, it starts with Thriller.

When we were at the Legacy bull sale there were 2 bulls that stuck out to us. This is one of those bulls that will catch anybody's eye. Being a son of the Hulk Hogan bull, we were excited to say the least when we purchased him. His calves have been something to watch in the pasture and in the pen, they grow and just keep growing, topping the pen.

This is a home raised bull that caught our eyes in the pen, and we couldn't take our eyes off of him. So, we kept him back to use in our program. Warrior is a son of Billy the Kid, and he is the total package - muscle, length, hair with that added performance. Sons of Warrior would be a great addition to any program!

This bull is from the DeBruycker sale. When you have 700 bulls to choose from, the ones you want need to stand out to you and this bull for sure did. When we got him home, he went right to work. Yet again another bull that will throw you that uniformity that you want. This breeding season if you want to take a holiday knowing that your cows are getting covered, you better buy a Halladay.

When we set out looking for a herdsire in 2020, we were immediately drawn to HTA Billy the Kid. His length of body, natural muscle combined with some extreme maternal strength led us to believe that Billy the Kid was a home run for our program. The Billy the Kid sons offered reflect the hair, performance, good footed and natural muscling that we look for. To top it off, their quiet and calm demeanor is a bonus!

In 2023 we acquired Cynus. He is a bull from the DeBruycker Charolais program in Montana. We went through their pen, and this is the bull we felt would add lots to our program.
