

PINE BLUFF CHAROLAIS & FERN CREEK SIMMENTALS

*5th Annual
Charolais & Simmental
Bull & Select Heifer Sale*

DLMS FARMGATE TIMED AUCTION
Tuesday, March 3rd - Wednesday, March 4th, 2026

Welcome

from Pine Bluff Farms & Fern Creek Simmentals

Thanks for looking through our line-up of outstanding bulls.

We spend considerable time on sire selection. Special attention is given to feet, dam's udder and disposition. Easy calving bulls that deliver heavy weight calves on market day is the goal.

Our purebred and commercial cows are managed the same. They are expected to calve on their own, rebreed in a short season and bring home a good calf in the fall. Anything short of that goes to the market.

The bulls were pictured January 10th, with videos done a week later. We would be pleased if you make the drive to view the bulls or give us a call to find the right one for your program.

Again this year we'll have some open purebred Charolais heifers from the top of the replacement pen.

Looking forward to your inquiries,

Raymond & Betty Paschke

Viewing the Bulls & Heifers

The bulls and heifers are available for viewing at the farm anytime up until sale closes. Pine Bluff Farms is located 3.5 miles north of Love, SK.

Online Bidding

The sale takes place on DLMS FarmGate Timed Auction. Sale opens Tuesday, March 3rd, closes Wednesday, March 4th at 7:00 p.m. CST. Sale closes in a Racehorse style format. For any questions assistance, contact Mark Shologan at (780)699-5082.

Delivery

Delivery is available for \$75 for distances up to 300 km. For distances greater then 300km, there will be a minimal additional fee over that. Delivery will take place towards the end of April, unless required soon. After May 1st, a \$5/day boarding fee will be assessed.

Payment

Invoices will be emailed immediately following the sale to the email address used for sale bidding. Payment instructions will be included.

Insurance

The animals become your responsibility as soon as sold. We request that bulls staying at Pine Bluff for wintering be insured.

Fertility

Bulls will be semen tested before the sale. Occasionally, because of age, weather factors, etc., may be Decision Deferred. Bulls will pass semen test prior to delivery.

Herd Health & Management

At birth = A-D, E-Sel, Calfguard
 2 weeks old = Toltrazuril & Nasalgen
 Spring = Vista Once SQ & Vision 8 Somnus
 Pre-Wean = Safeguard & Vision 8 Somnus
 Post-Wean = Safeguard & Clean-Up
 January = Delice

* Bulls were weaned September 20, 2025
 Bulls are fed a high roughage TMR Ration to promote moderate growth, and good feet and legs.

Semen Rights

Pine Bluff Farms & Fern Creek Simmentals retain in-herd semen interest on bulls sold in the sale, at the seller's expense and new owner's convenience. To be drawn at a future date.

Polled Test Results

Polled test results will be available.

Terms & Conditions

Sale is conducted under the Canadian Charolais Association's Code of Ethics and the Canadian Simmental Association Code of Ethics.

A.I. sire

NGC Capitalist 118J ET

A bull that recently sold for 2/3 interest for \$127,500. Incredible EPDs that transfer to his progeny. Easy calving, impressive gains, productive daughters.
A.I. Sire

We are leading off our sale with a bull that can do a lot of good. He is a total outcross in Canada on sire side, and his dam is quickly rising to the top of our herd. His actual weaning weight was 1,015 lbs and Jan 20th weight of 1,535 lbs, starting from a reasonable birthweight of 95 lbs. With that herdbull look, early maturity, big volume on great feet, he moves very freely. As a result, we will keep an interest for in-herd semen use.

Our daughter Tammy wanted to get back into Charolais after being without cows for a few years. She had the pick of the heifer pen with 42H, the dam of 43N. This Jefferson daughter has extreme length and could be the first one available in Canada. RPH 132N is from the same cow family. Her dam has calved over a month earlier this year, showing great fertility.

HOW TO PARTICIPATE IN THE DLMS FARM GATE TIMED AUCTION WITH EXTENDED BIDDING:

1. Visit dlms.ca and follow the link to the DLMS Farm Gate timed auction site www.farmgatetimedauctions.ca, click the LOGIN/REGISTRATION button. First time users will select the REGISTER button from this page. Fill out the registration form to sign up for a free user account and it allows you to select a username and password for use on all Farm Gate Timed auctions. This program will send you text and email messages whenever there is activity on your favorite lots or someone challenges your proxy bid and this is why you will be asked for both your current email and cell phone number. If you are a past participant in the Farm Gate Timed auctions simply enter your username and password to continue. This takes you to a list of both current and upcoming Farm Gate Auctions.
2. You can choose your favourite lots in this sale at this time and the program will allow you to open either all sale lots or just your favorite lots on your screen. Any time there is active bidding on a lot you have identified on your favorite list you will get a text and/or an email noting this activity.
3. The program allows you to place a proxy bid on any sale lot. This in fact protects your interest in any lot of interest for you to a specified dollar value you set, when you may not be able to give 100% attention to the sale. If the lot has a \$2000 bid on it and you place a proxy bid of \$3500 into the system, the computer will bid \$2100 for you but if some one else bids \$2200, the computer will again bid for you, this time at \$2300. The system will look after your interest to a maximum of \$3500. If another bidder is on at \$3600, your proxy will no longer be effective and you will no longer have the winning bid on this lot without once again logging in and bidding again or moving your attention to a second lot of interest.
4. At closing time of the sale the entire sale will extend bidding if a bid is placed on any lot in the sale. Any bid received after close time will extend the sale by the time listed on each sale. In Most cases the time gets shorter the longer in to extended bidding the sale is. When no bidding occurs for the extended time the computer will declare the sale finished.
5. Following the sale the Owner or Sale Manager will invoice all buyers in the sale, please contact the seller with questions or to arrange delivery, pick up or shipping of your purchases.

FAQ:

WHAT IS RACEHORSE STYLE SALE CLOSE? Racehorse style sale close is when the entire sale stays open in extended bidding. This type of sale allows you as the bidder to change to a different lot within the same sale if the bidding has gone in to extended bidding.

HOW WILL EXTENDED BIDDING WORK? When we get to the close out end time the clock for close extends with any bid placed with less than 5 min on the clock. This type of extended bidding turns the end time to more of a soft time. Extended bidding allows bidders to compete in lots like a real auction and give all bidders the same time to make a decision. Always follow the clock to see how much time remains in the sale you are interested in.
