CHAROLAIS

WELCOME

Hello Cattlemen,

Welcome to the 2026 edition of the Valleys End Charolais Private Treaty Bull sale! The older I get the faster time flies by! Picturing, weighing, and measuring the bulls is always a fun time for us and helps us evaluate our program. We believe there is a phenomenal set of bulls in this catalogue and would be happy to show them to you at a time that works. The pen is always open!

On behalf of the entire Oram family we'd thank you for your continued support and friendship. Not only have you supported us, but you have been our strongest advocate. For over 50 years we couldn't do this without you and enjoy going down the road delivering bulls to repeat customers and new ones as well. The cattle industry has never been in this position before. Last year we have seen un-heard of prices in all phases of the market. The Charolais advantage has never been more evident. This year we have 30 impressive bulls for sale. If your looking for a heifer or cow bull you can find

them here. All bulls come from reputable cows that have good feet, udders and continue to prove themselves in our herd. We take pride in our cow genetics that have stood the test of time!

Pictures and videos of the bulls are online at valleysend.ca. We look forward to filling your bulls needs in 2026. Call us if you have any questions!

- *Nigel Oram*

SALE CONTACTS

Nigel and Lindsay Oram 306.796.7725
Mark and Deb Oram 306.796.7514

We would be happy to assist you in making a bull selection! If you can't make it to the farm to tour the bulls, just give us a call to discuss what you need so we can find the right bull for your program.

DELIVERY

Free delivery on bulls delivered at our convenience prior to May 1 within a 250 KM radius. Bulls are available to stay after May 1 but will be charged a \$100 yardage and delivery.

INSURANCE

The bulls become your property when the purchase is made, and we recommend you insure your bulls.

TERMS AND CONDITIONS

The bulls sell under the standard Terms and Conditions of the Canadian Charolais Association.

SEMEN TESTS

All bulls will be measured prior to February 1, but semen tests will not be conducted until mid-March.

PAYMENT

We do not require a deposit on the bulls, but we do appreciate full payment upon delivery.

Brigadier is a Huckleberry son that has been a favorite around here from the start. A massive bull that combines length of body, muscle mass, rib shape, and as stout hipped as you will find. Brigadier's dam is one remarkable female, she has perfect feet and udder, and is stout from front to back with a huge top. Homo polled and PA free. Brigadier will take your calf crop to the next level!

Nimitz is another deep bodied, hairy Huckleberry calf out of a mobile dam. The dam is a red factor cow that is very easy doing and has punch! He has extra rib length, comes out of his shoulder so well, and is free moving. Homo Polled.

A SPECIAL OPPORTUNITY

TO OBTAIN YOUR PICK OF THE VALLEY'S END CHAROLAIS HEIFER CALF PEN

Here is a rare opportunity to access our Charolais heifer calves that have been in the making for 60 years. The first Charolais sired calves were selected as 4-H prospects in 1966 from a neighbor Wendel Schinold.

Our herd consist of 10 main cow families that have come from around the 1970's. Genetics that stand the test of time is something we have strived for. We try to follow trends and not fads in the industry.

Selection can be made at any time. We would like the pick completed by April 30. Valleys End will sell full possession, full interest on the heifer calf but to retain one flush on the selected female, at their own expense and at the convenience of the buyer.

THANK YOU FOR YOUR INTEREST IN OUR OFFERING!

PLEASE LET US KNOW IF YOU HAVE ANY QUESTIONS!
