Balog Auction • Lethbridge, AB

*Selling 47 Two Year Old Bulls*

Welcome to our Annual Bull Sale!

We would like to thank all of our customers who have purchased bulls from us over the years. As some of you may know, I have been raising quality Charolais bulls for over 20 years and have been buying outstanding sires and females that produce great calves. I have brought a great offering of 2-year old bulls for your consideration. These bulls have all been semen tested and are ready to work.

We would also like bull buyers to know that we would like the opportunity to give you a bid to buy your calves in the fall. Our new feedlot provides us with more feeding capacity and we want to fill it with great Charolais cross calves. In the past few years, the calves that we have fed sired by White Lake bulls have excelled both in the feedlot and the processing plant with almost all of them grading AAA and Prime.

If you have any questions about the sale offering, please give us a call. We look forward to seeing you at the sale!

*- Jerry & Jordan Hofer*

## BALOG AUCTION

Welcome to the White Lake Charolais Bull Sale! When Jerry asked me to say a few words about his program, it was easy and a privilege.

A complete cattle ranching operation is the only way to describe White Lake. A big, powerful set of commercial cows - a tremendous finishing feedlot operation - an industry leading purebred herd - all avenues of this industry are covered! Jerry has been persistent in using the newest genetics in the Charolais breed. Watching Jerry buy the best Charolais bulls available is a pleasure.

When you buy a bull from Jerry, he also looks after you in the merchandising and buying of your calves. This is a proven program that you can become a part of, and the best part is that Jerry appreciates every customer as a friend. The future of the industry has never been brighter and the calves sired by this set of bulls will be the highest commercial calves ever sold. Don't miss out! See you at the sale.
