

CHAROLAIS, RED & BLACK ANGUS
19th Annual **BULL SALE**

DIAMOND

CHAROLAIS

Tuesday, March 23, 2021 – 1:30 p.m. DST
Valley Livestock Sales, Minitonas, MB

Welcome to our 19th Annual Bull Sale

We would like to thank all our valued customers and friends that have supported our program over the years. It's your loyalty and support that keep us going and it is truly appreciated.

Challenging is what can be said about the COVID era. We will work hard to ensure you are safe and distanced and still be able to participate in our sale. Bulls are available for viewing at any time!

At Diamond W our goals remain the same, to produce sound, functional cattle with hair, meat and muscle, with calving ease and reproductive efficiency. These bulls aren't stuffed, they are fed to grow and develop, not finish! Our success depends on yours, so we will work hard to keep you satisfied before, during and after the sale!

Our bulls are raised under real world conditions for the real world. No primping, pampering, August weaning or general B.S. We are calving in excess of 250 cows with myself and some part time help. I don't have time for B.S. They have to work.

The bull pen this year is, without a doubt, the deepest in quality and consistency to date. There are several standouts in both breeds that deserve your attention. They are sound, meaty, consistent, bred to calve easily, perform, work and last. You are making an investment; as I talk to customers, there are bulls 6-10 years of age from our program still working.

There are many 1/2 - 3/4 siblings. There is a bull for everyone no matter the colour of your cows. They will work and in the event of an incident, we will be there for you too! Your cows will get bred.

All the bulls were videoed and pictured to aid in your selection and no one knows what kind of restrictions will be in place by sale day. We invite your inspection and calls prior to the sale and during.

Can't make the sale? No problem. Give me, the sale crew, or commercial consultants a call, and we will look after your needs. DLMS will be used online. If you are concerned about your internet service, give us a call and we will work with you.

Join us sale day for a visit. If you have any questions, just call.

Every year the quality of this offering gets stronger and more consistent. The quality, of both the Charolais and Red Angus, is excellent with some bulls that would work in any purebred or commercial herd in the land.

This is the 19th year the Walkers have been providing solid, good working bulls to the Swan Valley and across the prairie provinces. All the bulls were videoed so you can get a preview of them at www.bylivestock.com before you go to the farm or come to the sale. The bulls will be available, for your convenience, for viewing the day

before the sale at JTM Livestock.

Over the years there have been many repeat and loyal customers, so you know the bulls have been working and the Walkers are good to work with. Orland knows his cattle very well, and if you want to discuss what will work for you, just give him a call.

The bulls have been very affordable with dollars for quality as good as you will find anywhere. The Charolais bulls will not give you any problems and will add extra pounds at weaning, as they have always strived to produce high performance bulls. The Angus bulls will work at any level producing some great British influence females, and many will work in your heifer pen or on the cowherd. The Charolais Angus cross has been, and will continue to be, the industry standard down the road. The catalogue is in sire groups, so if you are looking for multiple bulls to add consistency to your calf crop, that has been made more convenient for you.

You are welcome to tour the bulls at the farm at Hudson Bay any time prior to the sale. The sale will be broadcast live on DLMS, so if you can't make it to the sale you can watch and bid online. Go to DLMS.ca to register to bid.

If Jon, Candace, or I can be of any assistance before the sale, or on sale day please, don't hesitate to give us a call. We would be happy to find you a bull that is right for your program.

Sincerely,

Helge & Candace By • 306.536.4261

We Offer...

The Program

Our bulls have been rigorously sorted so that you are getting the best. They are selected to work for you – big testicles, good feet, easy fleshing and good hair. We continue to raise and invest in high quality females that can raise superior bulls for the commercial and purebred industry.

Credit Plan

Pay ½ the purchase price on sale day and the remaining balance on June 1 with a post-dated cheque left at time of settlement. Also, we do buy hay! We would be willing to take hay on trade or credit on bulls –call Diamond W for details.

Credit Card Purchase

Mastercard or Visa may be used for your bull purchases. A 4% surcharge will be applied.

Absentee Buying

If you can't attend sale day, give us a call. We'll help you find a bull to fit your program.

The Bulls

All bulls are measured and semen tested within 30 days of the sale. This information is freely available to you. All bulls have current weight and their performance information is provided.

No Room

If it is at all possible to take your bull home sale day, we would really appreciate it. If you simply can't, don't worry. We can take the yearling bulls home and care for them at no cost until May 1. These bulls must be insured. Two year old bulls will be delivered as soon as possible after the sale.

Delivery

Yes, we can deliver your bull. Delivery is \$75, or deduct \$50 from the purchase price if you take your bull home sale day.

What's A Bull Worth?

Cowman Formula

Increase in pounds per calf from a top-performance bull
 x number of cows bred to him per year
 x no of years to keep the bull
 x expected selling price of calves
 = Additional dollars you can pay for a better bull

Example: A bull who will add 30 lb to the weaning weight of each of his calves mated to 25 cows per year for 4 years and you sell the calves for \$1.50 per pound.

$30 \times 25 = 750 \times 4 = 3000 \times \$1.50 = \$4,500$

This bull is worth \$4,500 more than the average bull who will keep your weaning weights the same. Take this formula and put your own figures in and see what you can afford to pay. This equation does not consider the increase in value due to calving ease, higher quality replacement heifers, yearling growth, feedlot gain and improved carcass quality.

Terms & Conditions

Terms: The terms of the sale are cash or cheque payable immediately after the sale in Canadian funds. All settlements must be made with the sale clerks before cattle will be released. The right of property will not pass until final payment is made.

Bidding: Each animal will sell to the highest bidder. Bidders unable to attend the sale may phone their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

Disputes: Bidding will be reopened between the parties involved. If no further bid is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision is final.

Announcements: Announcements made from the auction block will take precedence over printed matter in the catalogue. Buyers are cautioned to pay close attention to announcements.

Purchaser's Risk: Each animal becomes the risk of the purchaser as soon as sold. Animals will be cared for at the purchaser's risk for a reasonable length of time. All animals left with the seller must be insured.

Certificate of Registration: Each animal will carry papers issued by the Canadian Charolais Association. A certificate of registry duly transferred will be furnished to the buyer after payment has been made.

Delivery: Assistance will be given in making delivery after the sale. The purchaser agrees shipping arrangements will be at the convenience of the seller, but will be as soon as practical after the sale, at the buyer's risk.

Breeder Guarantee - Bulls: Should any bull fourteen months of age or over, fail to prove a breeder after being used on cows known to be breeders, the matter

shall be reported in writing to the seller within six months following the date of purchase or six months after the bull has reached fourteen months of age. The seller has the right and privilege of six months to prove the bull a breeder. No guarantee is given that semen collected from the bull will freeze.

Exception Guarantee: In cases where the animal is subjected to any hormonal or surgical reproductive techniques after the sale, this guarantee shall be null and void. The seller is not responsible for damage caused by foreign bodies after the animal has been sold or for sickness not apparent at sale time. In no event shall the seller be responsible for more than the purchase price.

Accidents: Although every precaution will be taken to protect the safety and comfort of buyers, neither the sale manager, auctioneer, or sellers assume any responsibility and disclaim any liability, legal or otherwise, in the event of accident or loss of property. By Livestock is only acting as a medium between the buyer and seller and is not responsible for failure on the part of either party to live up to their obligations; or for the truth of any warranties or representations, expressed or implied. By Livestock assumes no obligation to enforce or collect monies between parties. By Livestock assumes no responsibility for any credit extended by the seller to the buyer. Any legal action taken in exceptional cases must be between the buyer and the seller. The buyer must look to the seller for fulfilment of all guarantees and representations.

Insurance: Insurance will be available sale day.

Pictures: By attending the sale you are granting permission for your picture to be used for promotional and advertising purposes relating to the sale.
