Advantage Sales Management Comments

Welcome to the 26th annual Advantage Bull Sale. Firstly, I would like to thank these consignors for their loyalty to Transcon and congratulate them for their dedication to ranching, which has helped the Cattlemen and Women of Canada! Bringing top notch bulls for 26 years is something pretty great!!

As always, Double G Simmentals will bring a strong group of bulls off their hard-working cow herd. Leading the way will be bulls off the Arsenal bull. The Goodsmen brothers are very proud of this bull and rightfully so. I'd encourage you to go see Arsenal; his depth, thickness and natural muscle is awesome! Circle G Foundation is a new sire who's calves fit right in. Some popular 2yr olds are in the mix as well.

I'd like to say that the Lazy Bar B bull pen is much like their owner... thick and muscular! But I can't say that because I think Garry is probably pretty tuff. But seriously the bulls are an impressive group with long bodies, thick wide tops, muscular asses, and huge spring of ribs! Whenever I see the Lazy Bar B bulls, I'm in awe of the great feet and their hair coat. An easy keeping bunch that will improve any cow herd they go to. The two Herd sire groups, "Bootie" and "Game Plan" will have many admirers come sale day.

Aumack Simmentals have intensely studied Simmental genetics. They have successfully utilized AI sires and incorporated embryos into their herd to produce a bull pen they are proud to offer to you. A wide variety of bulls including power, calving ease, red, black, fullblood and even two-year-old bulls. Every buying need can be found at the Aumacks.

June Rose has been bringing their popular 2yr old Charolais bulls to the Advantage sale for several years now. The Charolais bulls have been selling like hot cakes in the early bull sales. Grazing associations and anyone else looking for 2yr old bulls better come to this sale. These bulls have been built to last and perform! I know an Alberta purebred breeder was sure happy with their purchase at last year's sale. This could possibly be the largest selection of 2yr old polled genetics offered this year!

I'd like to welcome Trevor Willerton and family to the Advantage Bull Sale. The Willerton bulls are going to turn some heads, there aren't many...but they are good! Building on a small but very strong cow herd that is selected for great feet, udders and disposition this farm is on its way to the top.

Back by popular demand will be some outstanding polled fullblood and purebred heifers. These heifers garnered much attention last year and no doubt will do the same this year. Do not miss out.

Every consignor would love for you to come to their place and see their cattle. However, if you can't do that please come to the Saskatoon Sales Facility to check out this year's offering. They will be there a couple days before the sale. If you choose not to come, or just simply can't make it, please take advantage of our industry leading and trusted order buying service and give us a call.

See ya down the Cattle Trail,

Cody C. Haney

Welcome to the 26th edition of The Advantage Bull Sale. This past year has certainly presented a world of changes for everyone, with people's lives being turned upside down. We will be following all government guidelines that are in place at the time of the sale, mask wearing, social distancing etc. As the size of public gathering is ever changing, the size restrictions that are in place at the time of sale will be adhered to.

Many of the bulls this year represent our freshest genetics, SOS KEYSTONE 112E, (full brother SOS HOMEGROWN) along with LAE EVEREST 772E. These two herd sires have added a whole new dimension to their offspring, unbelievable hair, length of body, soft made bulls with lot of natural thickness.

We encourage you to come to the farm prior to the sale to view the bulls in their large pens. If you are unable to, the bulls will be at SLS in Saskatoon a few days prior to the sale and can be viewed there as well.

Make plans to attend this event, you won't be disappointed, at Saskatoon Livestock Sales on Saturday April 3rd. See you there.

Trevor

Transcon Livestock Corp. reserves the right to require a certified cheque as settlement before releasing any sale cattle. Should any purchaser fail to settle for his purchase Transcon Livestock Corp. reserves full power to resell the animal to the best advantage either publicly or privately, without further notice. Any loss arising from such resale together with keep and all other expenses shall be payable by the defaulter. SALES TAXES - Applicable sales taxes will be charged on semen, embryos and trucking fees (if listed), respective to the home province of the buyer, not the seller.

PURCHASER'S RISK - Each animal becomes the risk of the purchaser as soon as sold. Animals will be cared for at the purchaser's risk for a reasonable length of time.

CATTLE PICTURES - The images in this catalog are believed to be accurate representations of the individual animals. Transcon Livestock Corp. and Jamesway Enterprises assume no responsibility if the images as received have been altered.

ANNOUNCEMENTS from the auction block will take precedence over the printed matter in the catalog. Buyers are therefore cautioned to pay attention to any such announcements.

CERTIFICATE OF REGISTRY - A registration/recordation certificate issued by the applicable breed association and duly transferred will be furnished to the buyer of each animal after settlement has been made. It is the responsibility of the buyer to determine the acceptance of this certificate in any other association.

SHIPPING - Assistance will be given in making shipment after the sale but no risk is assumed by the Sales Management or Seller. Expenses incurred are the responsibility of the purchaser. Purchasers are requested to furnish shipping instructions when making settlement.

BREEDERS GUARANTEE - As per applicable Canadian Breed Association Breeding Guarantee guidelines. Copies are available at the sale settlement desk to be picked up by the buyer at any time. In no event shall the seller be responsible for reimbursing more than the purchase price.

EXCEPTION TO GUARANTEE - In cases where the animal is subjected to any hormonal or surgical reproduction techniques after the sale, the guarantee shall be null and void.

HEALTH - It is the buyer's responsibility to determine health requirements for importing any animal into his province or state. Transcon Livestock Corp. assumes no responsibility for the health status of any animal in the sale.

ACCIDENTS - Although every precaution will be taken to protect the safety and comfort of buyers, neither the Sales Management, auctioneer, consignors, or Association assumes any responsibility in this matter and disclaims any liability legal or otherwise in the event of accident or loss of property.

RIGHTS AND OBLIGATIONS - The above terms and conditions of the sale shall constitute a contract between the buyer and the seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale.

TRANSCON LIVESTOCK CORP. IS AGENT ONLY - It is to be clearly understood that Transcon Livestock Corp. is only acting as a medium between buyer and seller and is not in any way responsible for any failure on the part of either party to live up to his obligations, neither does Transcon Livestock Corp. assume any financial obligations to collect or enforce collection of any monies between parties, and any legal action that may, in exceptional cases, be taken, must be between buyer and seller.

The Auctioneer shall have the right to refuse bids from anyone who has a previous record of default in payment or who has not made proper credit clearance prior to the sale with the owner or Sale Managers.
