

**WHITE MEADOW  
CHAROLAIS LTD**

**BULL SALE**  
**APRIL 14TH**

**31 Late Spring Coming Two and Fall Born, Long Yearlings**

## WELCOME TO OUR FIRST ONLINE BULL SALE AND THANK YOU FOR TAKING THE TIME TO VIEW THE CATALOGUE.

I would also like to take this opportunity to thank our neighbours, friends and customers, who have purchased bulls by private treaty over the years. I am grateful to each and every one of you for the support and confidence you have given me and our breeding program. I look forward to the opportunity to continue to earn your trust and that of new customers by constantly improving our genetics and providing quality service.

The White Meadow Charolais herd began in 1981 with the purchase of three heifer calves. Over the past four decades, A.I. has played an integral part in the development of our herd. I truly believe it takes great cows to produce quality sons, and as such, I have always focused on using highly proven sires that are backed by strong cow families in building our cowherd. For the past three decades the cows have calved on grass. The lessons learned through this range calving environment have taught me the importance of selecting for calving ease (not just low birth weight), short gestation length, calf vigor at birth and females with sound teat and udder quality. Quiet dispositions are a trait I

have always placed special emphasis on, and with my six-year old daughter, Ava, who loves to help her dad with the cattle, it is more important than ever!

This year's bull offering is representative of the balanced approach to breeding I have tried to achieve, moderate framed bulls that blend calving ease with the performance, that will give our customers pay weight in their calves on sale day. You will find the blood of LT Sundance 2251 in nearly every bull. He has without a doubt been the most influential sire used in our herd. He is in the top 1% of the breed for weaning and yearling weight EPD. His sons are high performance, docile, stock bulls and his daughters are feminine, big volumed, long bodied productive cows. Many of the sale bulls are out of Sundance daughters.

The bulls have been backgrounded on a high roughage ration as yearlings and summered on grass. I begin to supplement the bulls with pellets on grass in late August. They are brought home in October to further develop them in order to show their genetic potential without over conditioning, so that they are able perform as "athletes" come breeding season. Their winter ration consists of corn silage mixed with a bull developer pellet along with free choice grass hay and protein supplement. They are wintered with access to a 12-acre paddock for lots of exercise.

I invite and encourage you to come for a visit and view the bulls any time before the sale. If you have any questions about the sale or the bulls, please feel free to give me a call anytime.

Sincerely,  
Mike Bertholet & Ava

## WELCOME TO THE WHITE MEADOW CHAROLAIS BULL SALE.

The bulls are selling through the DLMS Farmgate Timed Online Auction. Online bidding will open on April 13th and close at 6:00 p.m., on Wednesday, April 14th, with a racehorse style close, with extended bidding time. If you have questions, or concerns with this system of selling, give us a call and we can help you. The farm is located between Souris and Pipestone, just west of what used to be the town of Deleau. They are just a mile north of Hwy #2 with a sign at the corner.

Michael Bertholet grew up in the Charolais business and is a real historian on the breed and pedigrees. He has used an extensive AI program for years and there are many  $\frac{1}{2}$  and  $\frac{3}{4}$  brothers on offer with the proven LT Sundance bull in many of the pedigrees. The coming two-year old and long yearling bulls are quiet, sound and consistent. They have great bred in calving ease, but still enough genetic punch to give you the market topping calves. Videos will be available online at [www.bylivestock.com](http://www.bylivestock.com) so you can have a preview of the offering before going to look in person. The bulls will be available for viewing at the farm anytime leading up to the end of the sale. Come to view the bulls, their dams and the program in a relaxed atmosphere and get to know Michael, if you have not met him.

The buckskin and silver calves are the industry standard now and have been consistently in demand and topping the markets across the country. Don't pass up the added dollars from crossbreeding with identifiable Charolais genetics and colour.

If Jon, Candace, or I can be of any assistance before the sale, or on sale day, please don't hesitate to give us a call. We would be happy to help you find a bull that is right for your program.

Sincerely,  
Helge & Candace By 306.536.4261

# WHITE MEADOW CHAROLAIS BULL SALE APRIL 14TH

## 31 Late Spring Coming Two and Fall Born, Long Yearlings

### SCHEDULE OF EVENTS

Tuesday, April 13

9 a.m. DST Bidding opens

Wednesday, April 14

7 p.m. DST Timed Closeout Begins

### SALE DAY CONTACTS

Mike Bertholet..... 204-522-5469

Helge By ..... 306-536-4261

Jon Wright ..... 306-807-8424

Candace By..... 306-536-3374

### VIEWING OF THE BULLS

Bulls are available for viewing at the farm anytime prior to sale close.

### VIDEOS

Videos of the bulls will be available online at [www.bylivestock.com](http://www.bylivestock.com).

### HERD HEALTH AND FERTILITY

Sale bulls have been treated twice for parasites with Ivomec and Clean-up, vaccinated with Bovashield FP 5 and will receive two doses of Fusogard for foot rot prevention. Breeding females receive Bovashield FP 5. Calves are given Inforce 3 at birth and Covexin 8.

### SEMEN TEST AND WEIGHTS

All bulls will be examined, scrotal measured, semen tested and palpated by a licensed veterinarian prior to the sale. Scrotal measurements and current weights will be available.

### INSURANCE

All bulls remaining on the farm after the sale will require insurance. Contact Lois McRae, at 204-573-5192.

### HOW TO PARTICIPATE IN THE DLMS

#### FARM GATE TIMED AUCTION WITH EXTENDED BIDDING:

Technical Support: Mark Shologan 780-699-5082 [markshologan@gmail.com](mailto:markshologan@gmail.com)

1. Visit <https://farmgatetimedauctions.ca>, click the LOGIN/REGISTRATION button. First time users will select the REGISTER button from this page. Fill out the registration form to sign up for a free user account and it allows you to select a username and password for use on all Farm Gate Timed auctions. This program will send you text and email messages whenever there is activity on your favorite lots or someone challenges your proxy bid and this is why you will be asked for both your current email and cell phone number. If you are a past participant in the Farm Gate Timed auctions, simply enter your user name and password to continue. This takes you to a list of both current and upcoming Farm Gate Auctions.
2. You can choose your favourite lots in this sale at this time and the program will allow you to open either all sale lots or just your favorite lots on your screen. Any time there is active bidding on a lot you have identified on your favorite list you will get a text and/or an email noting this activity.
3. The program allows you to place a proxy bid on any sale lot. This in fact protects your interest in any lot of interest for you to a specified dollar value you set, when you may not be able to give 100% attention to the sale. If the lot has a \$2000 bid on it, and you place a proxy bid of \$3500 into the system, the computer will bid \$2100 for you, but if some one else bids \$2200, the computer will again bid for you, this time at \$2300. The system will look after your interest to a maximum of \$3500. If another bidder is on at \$3600, your proxy will no longer be effective and you will no longer have the winning bid on this lot without once again logging in and bidding again, or moving your attention to a second lot of interest.
4. At closing time of the sale, the entire sale will extend bidding for 5 minutes, if a bid is placed on any lot in the sale. Any bid received after close time will extend the sale by 5 minutes from the time of that bid. When no bidding occurs for 5 minutes, the computer will declare the sale finished.
5. Within 24 hours of the sale close, the Sale Manager will contact all winning bidders to arrange payment, transfer of pedigrees and delivery/pick up of your lot.

### WHAT IS A RACEHORSE STYLE CLOSE?

Racehorse style sale close is when the entire sale stays open in extended bidding. This type of sale allows you as the bidder to change to a different lot within the same sale if the bidding has gone in to extended bidding.

### HOW EXTENDED BIDDING WORKS

When we get to the close out end time, the clock for close extends with any bid placed with less than 5 minutes on the clock. This type of extended bidding turns the end time to more of a soft time. Extended bidding allows bidders to compete in lots like a real auction and gives all bidders the same time to make a decision. Always follow the clock to see how much time remains in the sale you are interested in.

## TERMS & CONDITIONS

**TERMS:** The terms of the sale are cash or cheque payable immediately after the sale in Canadian funds. All settlements must be made before cattle will be released. The right of property will not pass until final payment is made.

**BIDDING:** Each animal will sell to the highest bidder. Bidders may phone their bids and instructions to the sale manager, or owner. Bids must be received in sufficient time prior to the sale.

**ANNOUNCEMENTS:** Announcements made sale day will take precedence over printed matter in the catalogue. Buyers are cautioned to pay close attention to announcements.

**PURCHASER'S RISK:** Each animal becomes the risk of the purchaser as soon as sold. Animals will be cared for at the purchaser's risk for a reasonable length of time. All animals left with the seller must be insured.

**CERTIFICATE OF REGISTRATION:** Each animal will carry papers issued by the Canadian Charolais Association. A certificate of registry duly transferred will be furnished to the buyer after payment has been made.

**DELIVERY:** Assistance will be given in making delivery after the sale. The purchaser agrees shipping arrangements will be at the convenience of the seller, but will be as soon as practical after the sale, at the buyer's risk.

**BREEDER GUARANTEE - BULLS:** Should any bull fourteen months of age or over, fail to prove a breeder after being used on cows known to be breeders, the matter shall be reported in writing to the seller within six months

following the date of purchase or six months after the bull has reached fourteen months of age. The seller has the right and privilege of six months to prove the bull a breeder. No guarantee is given that semen collected from the bull will freeze.

**EXCEPTION GUARANTEE:** In case where the animal is subjected to any hormonal or surgical reproductive techniques after the sale, this guarantee shall be null and void. The seller is not responsible for damage caused by foreign bodies after the animal has been sold or for sickness not apparent at sale time. In no event shall the seller be responsible for more than the purchase price.

**ACCIDENTS:** Although every precaution will be taken to protect the safety and comfort of buyers, neither the sale manager, or seller assume any responsibility and disclaim any liability, legal or otherwise, in the event of accident or loss of property.

**BY LIVESTOCK** is only acting as a medium between the buyer and seller and is not responsible for failure on the part of either party to live up to their obligations; or for the truth of any warranties or representations, expressed or implied. By Livestock assumes no obligation to enforce or collect monies between parties. By Livestock assumes no responsibility for any credit extended by the seller to the buyer. Any legal action taken in exceptional cases must be between the buyer and the seller. The buyer must look to the seller for fulfilment of all guarantees and representations.

**INSURANCE:** Insurance will be available sale day.
