see in some the our cow's pedigrees in this years offerings. We were good friends right until the end. Kelly called to wish me luck with our bull sale and was gone the next day.

Mr. Tim Bullick. My Mentor, the man who lit this fire in me with Charolais Cattle. Not sure if I should love him or hate him for that. We became friends after Kelly and I bought a bull. It started on the phone...then I started to travel a bit to Charolais events across the west. Tim and Wanda took us into their home and treated us like family. We spent a lot of time on the phone and conversing, making sure to cover all of the topics, weather, current events, sales, but always back to cattle. Tim was never pushy. He was the Master of planting a seed and watching it grow. In starting our sale Platinum Picks, Tim was with us from the start. He planted that seed too. Barry Baldwin and I might not have met if it weren't for Tim. One of his trips down here to see us, he said, "Let's go for a drive!" So we went Barry's... who is one of my best friends now...he knew we would get along.

In more recent times, Tim was on the Board of Friends of Charolais and was very committed to it. I would like to help keep his dreams alive for Friends of Charolais because we have lost too many this year.

Tami and I have decided to donate the best heifer we have raised to date who is DANG Kolbie 525K. An embryo calf from the great cow PCC 504C who Tim picked out for me. She truly is a diamond in the rough and we have over 25 offspring from her already. The sire PCC Lincoln 15H, also a bull Tim picked out for me. He knows I love length and Lincoln was LONG... This donation heifer would never leave DanG if not for this reason. A lot of great blood behind this one. Get your hand up for a great cause. Also, we will provide semen of your choice. Anything in the DanG tanks, lots of choices there. I better finish this before Eric's ready to kill me. Tim, get a salt lick and some tequila ready for when I get there. All of us Charolais guys will have one together...until then...

**All of the funds generated from the sale of this heifer will be donated to the Friends of Charolais Foundation in memory of Tim Bullick, Ivan Hutchinson and Kelly Langstaff.**

Well Folks...2023 has been a hard one on friends.

First, we lost Ivan Hutchinson who was ironically on his way to our place to work on the sale bulls....doing what he loved to the last minute. Ivan was a 4H leader for years, and did so much for the kids. Ivan was a doer. He and Eric planned the shows at DanG, all I did was have the place. A very humble man who never wanted anything for all of his hard work but to see kids smile.

Kelly Langstaff and I were introduced years ago at Hoard's Station Sale Barn by Gord Tomlinson. "Well!" Kelly said, "You're the SOB!" I was second bidder on JWX Fifty Shades from Wilgenbusch. He got over that!! We went from there to buying a bull together, PCC Apex 416B, who you will
