

ROCK SOLID *Red*

Wanted Man TRI-N BOB DYLAN 201K

JACK Foundation X Tri-N Captain Morgan
BW: 90 • AWW: 728 • AYW: 1,444 • UREA: 16.64 • UIMF: 3.80
Homo Polled • Non-Diluter • PAF

White or red, Bob Dylan checks all the boxes—performance, carcass and look. This Canadian powerhouse traces to well known U.S. genetics from the famed Michaelis Ranch and the Germaine line. With his first calf crop on the ground, we are more confident than ever about this sire's future potential.

Semen \$70 per dose
