## Our Mission...

One of the most vital pieces for the future of the Charolais breed in Canada is to develop the Friends of Canadian Charolais Foundation.

The FCCF was incorporated in 2021 and is a not-for-profit registered foundation. The foundation is run by a board of directors made up of dedicated volunteers who are heavily involved in the Charolais breed. The main goals of the FCCF are to expand the Charolais breed for future generations, through the use of education, scientific research, and youth development.
